User settings
&
Logout

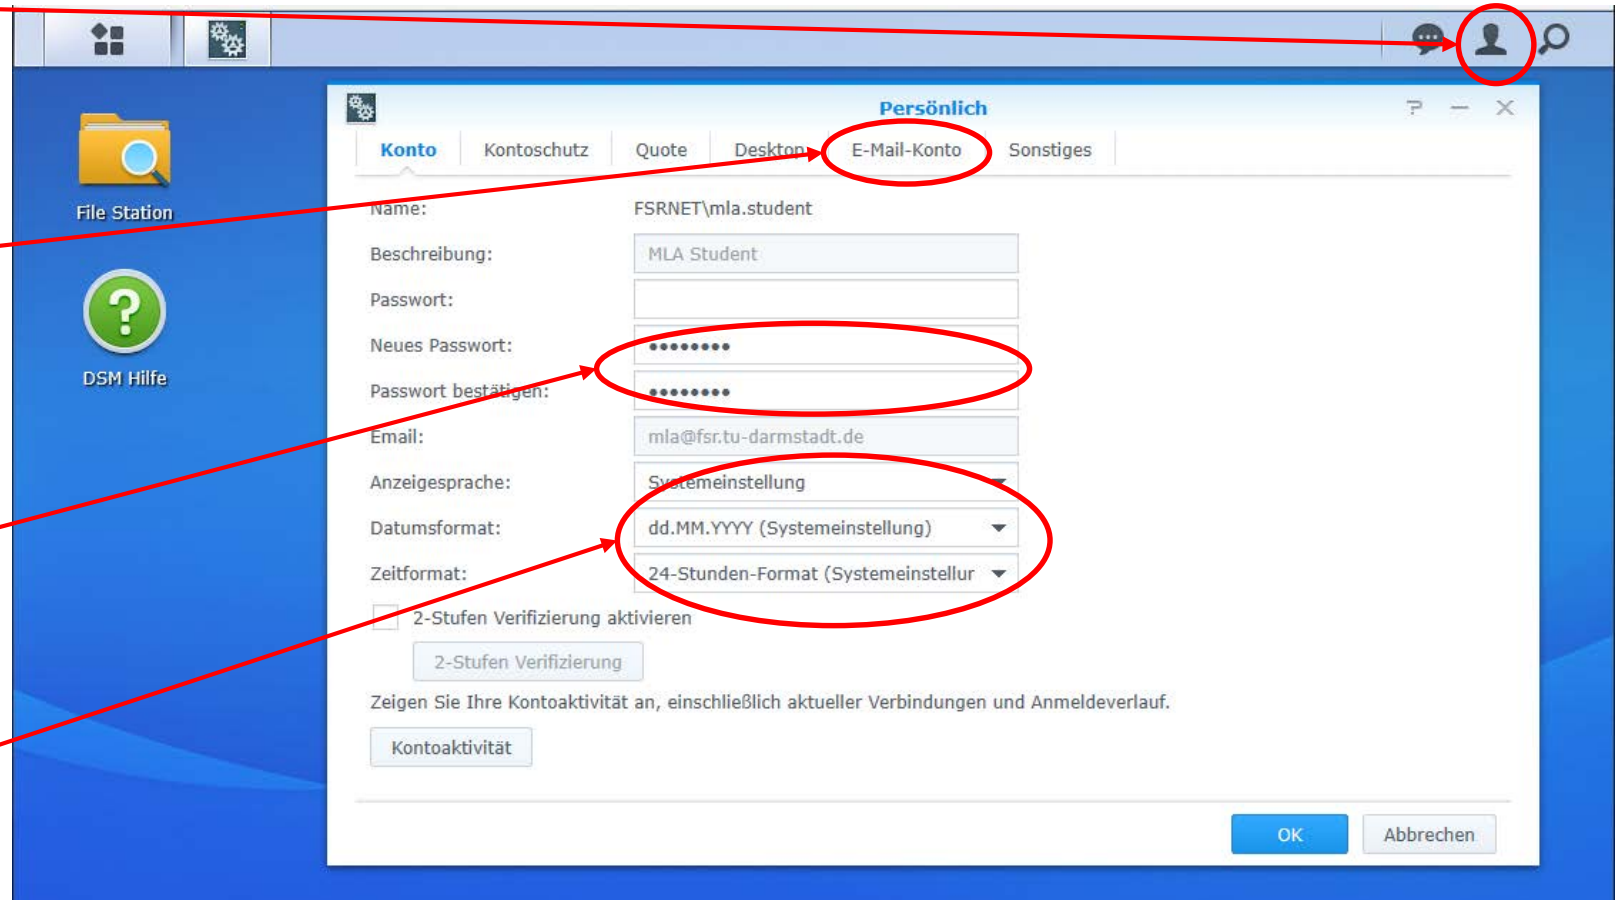

Start Menu (Apps)

- Left mouse click to start an application
- Right mouse click to add the application to the desktop

User Settings (*Persönlich*)

- Click on the torso icon at the top right corner and click on *Persönlich*
- In the *E-Mail-Konto* tab you can configure an email account to send emails from the system via your account (optional – not necessary)
- Here you can change your password
- Here you can change the language and regional options for displaying everything

The screenshot shows the 'Persönlich' (Personal) settings window. The 'E-Mail-Konto' tab is selected. The fields are as follows:

Field	Value
Name:	FSRNET\mla.student
Beschreibung:	MLA Student
Passwort:	[Redacted]
Neues Passwort:	[Redacted]
Passwort bestätigen:	[Redacted]
Email:	mla@fsr.tu-darmstadt.de
Anzeigesprache:	Systemeinstellung
Datumsformat:	dd.MM.YYYY (Systemeinstellung)
Zeitformat:	24-Stunden-Format (Systemeinstellung)

Additional options include a checkbox for '2-Stufen Verifizierung aktivieren' and a 'Kontoaktivität' button. The window has 'OK' and 'Abbrechen' buttons at the bottom right.
